

YOU ARE AT THE **RIGHT PLACE**

CUET Entrance Exam

Common University Entrance Test, commonly known as CUET, started in the year 2022. It is one of the largest examinations at the undergraduate level in India. The CUET exam serves as an entrance test for admission to over 250 UGC-funded central, state, private, and deemed universities.

Why should you appear in CUET?

• 250+ Top University Options after 12th

49 Central Universities, 36 State Universities, and 130+ Private and Deemed Universities have scrapped their entrances tests and are now accepting CUET scores.

• Ability to Switch Streams in UG

The CUET exam allows the candidates to study different subjects in different streams at the UG level which they couldn't opt for in Class XII.

• Eliminates Subjective Bias

CUET is an objective-MCQ exam, giving all candidates a fair chance as compared to the previous admission method which relied on class 12th Boards results.

• Equal Opportunities for All

The CUET exam provides a single platform for students irrespective of their marks in class 12th across the country, to apply for admission to India's top institutes.

The Big Numbers

In the 2024 edition of CUET-UG, 11,13,610 unique students appeared for the exam, and in the 2025 exam, 10,71,735 students appeared.

Among the 49 Central Universities accepting CUET scores for undergraduate admissions, the highest number of preferences during CUET form filling was:

- University of Delhi with 28 Lakh preferences for 73 UG courses,
- Banaras Hindu University with 8.8 Lakh preferences for 23 UG courses,
- Babasaheb Bhimrao Ambedkar University with 4.1 Lakh preferences,
- University of Allahabad with 3.1 Lakh preferences

Suryansh Gupta - AIR 1
983/1000 scorer in
CUET 2025

“ The biggest credit for my score of 983/1000 in the CUET 2025 exam goes to my coaching institute, SuperGrads. The real-time doubt-solving support and constant guidance provided throughout helped me grasp concepts more quickly. Not only this, but the comprehensive study material also mirrored the actual exam pattern and helped me stay confident throughout my preparation. ”

Kavya Jaiswal
(965/1000 scorer in
CUET 2025

“ Preparing for the CUET exam felt impossible until I joined SuperGrads. The structured study plan, supportive mentors, and regular mock tests gave me the clarity and confidence I'd been missing. What stood out was how SuperGrads personalized my weak areas, especially in timeline-based questions, with targeted guidance that transformed my approach. Thanks to SG's interactive teaching and constant motivation, I was able to score 965/1000 and positive about getting admission in The Hindu College for BA. Political Science. ”

CUET 2024

“ Super Grads provided an ecosystem where regular classes helped me strengthen my concepts, and every detail of NCERT was taken to consideration. Additionally, Mock tests and previous years' question Paper(PYQs) greatly improved my performance, and the actual CUET was very similar to the mock tests, without Supergrads this wouldn't have been possible. ”

CUET 2022

“ I joined SuperGrads in April 2022 in their Complete Preparation batch of CUET. I am so glad that I took this decision and now I have secured 100% ile. The masterclasses held by Mehtab sir for around 11-12 days were the best classes I had and it helped me a lot to revise my whole accounts syllabus in just one go. Also, the other subjects were covered very well, there were number of classes, like sessions and doubt-solving classes and the mocks and their mock analysis were very good. I am thankful to all the SuperGrads team for helping me throughout this journey. ”
