

LAST-MINUTE TIPS FOR QT FOR CLAT 2024

- **No New Topics:** Avoid starting new topics at this last stage.
- **Daily DI Practice:** Solve 8 Data Interpretation (DI) sets every day within a set time limit to improve efficiency.
- **Comprehensive DI Coverage:** Ensure that while practicing DI sets, you cover a broad range of both major and minor topics.
- **DI Sets in Mocks:** Aim to attempt at least 2 DI sets in each mock exam and on the actual exam day to familiarize yourself with the test conditions.
- **Mock Exam Analysis:** Take mocks regularly and analyze them thoroughly to identify areas of improvement.
- **Implementing Mock Insights:** Revisit and implement the strategies and insights gained from the analysis of your mock exams.

ALL THE BEST FOR CLAT 2024!
