FAQs

Q. Why Law after XII?

Ans: Law as a profession is becoming one of the most popular career options in India. With barely 10k students writing law entrances about a decade ago to about 70k students writing CLAT now, the popularity of Law as a Career is, justifiably, soaring year on year.

Some of the reasons behind the same are:

- Diversified options after Graduation: Students can opt for careers in Litigation, Judiciary, Academics, Research, Corporate, Civil Services Examination, Entrepreneurship, Management, and many other career options after Graduation.
- Respect and Power: Career options after Law commands the utmost respect from society, like Litigation, Judiciary, and Politics.
- Financial Stability: Career options after Law are financially more lucrative than others, especially in the Corporate Sector, where the top law schools' current starting salaries average about 13-15L per annum.
- Recession-proof: Careers in Law don't have any correlation with the state of the economy, and even when the economy tumbles, Law graduates don't have anything to worry about.
- Love speaking and debating? Law is a perfect career choice for you. It's as simple as that.

Q. What's a brief roadmap for Law as a Career?

Step 1: A student prepares for CLAT for two years after class 10th or one year after class 11, does a Crash Course of 60 days after class 12, or takes a year break for the same.

Step 2: After clearing CLAT, he can enter one of the 24 National Law Schools of

the country for a five-year integrated degree course. Apart from CLAT, there are other examinations like AILET, MH-CET, SLAT, and many more.

Step 3: After 5 years of Graduation, which includes academics, internships, and co-curricular activities like Moot Courts, Debates, Mock Parliaments, etc., he can opt for any of the careers given above as an answer to the previous question.

Q. What is CLAT?

CLAT stands for Common Law Admission Test, an entrance examination conducted for admissions to the National Law Universities. The question paper of CLAT is in 5 sections, namely, English Language, Current Affairs, including General Knowledge, Legal Reasoning, Logical Reasoning, and Quantitative Techniques.

The exam is conducted for 150 marks, and the duration of the exam is 120 minutes. There is a negative marking of 0.25 marks for every wrong answer.

Q. Give details about other Law Entrance Examinations?

National Law University Delhi, One of the prominent Law Schools in the country, conducts its own entrance exam called AILET to provide admission to law courses.

Other prominent Universities like NIRMA University and K.P. Mehta accepts CLAT scores. Other Law Entrance Examinations include LSAT (for Jindal Global Law School and other private universities), MH-CET (Maharashtra CET), SLAT (Symbiosis Law Admission Test), Christ University Entrance Test, ULSAT (for University of Petroleum and Energy Studies), CUET (Central Universities Entrance Test) for BHU, DU, Aligarh Muslim University and Jamia Milia University. etc.

TYPE OF TESTS

Full Length Mock Tests

There are 70+ full-length Mock Tests in total conducted at the All India Level. For online tests like, SLAT and MH-CET, graphical analysis at the end of each test is generated that gives in-depth analysis to each student. There is section-wise analysis, time-wise analysis and toppers' comparison as well.

All India Open Mock CLAT

To give the LETians a taste of the extreme competition, LE conducts 5-7 All India Open Mock CLATs in the course of a session, whereby a student is tested amongst about 7000-8000 serious CLAT aspirants from all over India.

Topic Tests

As the name suggests, these tests focus on improving a specific topic. These are 150+ in number and are uploaded on the online platform. Various topics across all sections i.e. English Language (Reading Comprehension, Vocabulary etc), Legal Reasoning (CLAT based Legal Reasoning questions), Legal Reasoning questions for OLETs (Other Law Entrance Tests), Legal Knowledge etc), Logical Reasoning (Critical Reasoning, Data Arrangement, Statement Based Questions etc), General Knowledge (Current Affairs and related Static GK)

Sectional and Speed Tests

These are Online Tests, to be attempted in the last 4 months of the preparation. They focus on improving the sectional scores which have an impact on the overall score. Speed Tests are essentially Sectional Tests and focus on increasing the speed of a candidate.

CURRENT AFFAIRS PRACTICE SHEET (CAPS)

The famed CAPS covers a gamut of Current Affairs through 100-200 questions asked sometimes on the Current Affairs of one month (in the first half of the year) and sometimes twice in a month (in the second half of the year). These tests are extremely handy as since 2015, a major chunk of the GK section of CLAT and AILET has been dominated by questions from the Current Affairs domain.

STUDY MATERIALS

ACADEMIC EVENTS

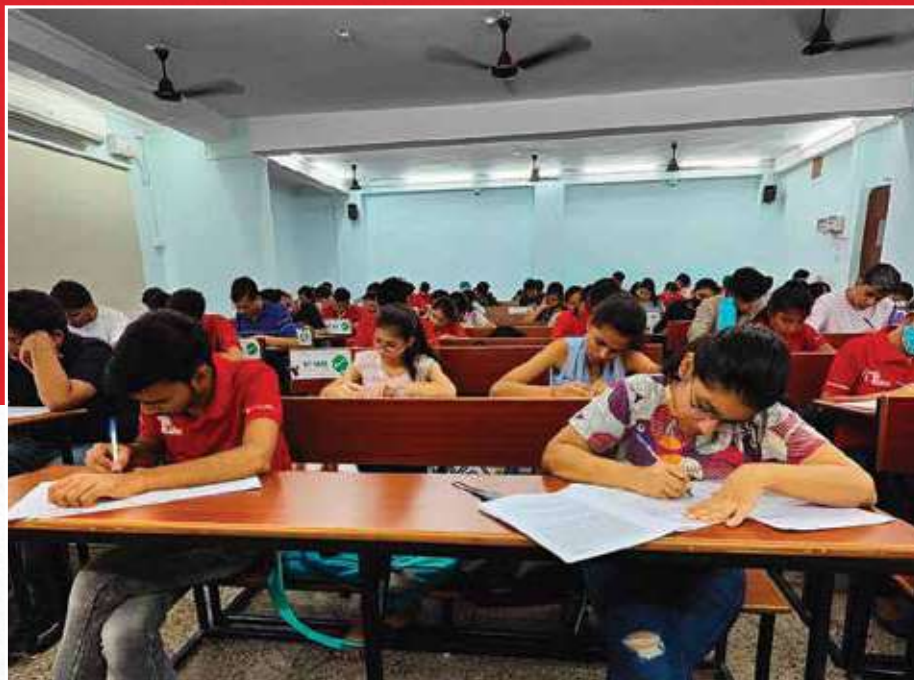

Academic Events are an integral part of our Academic curriculum. These events help a student to prepare for certain topics in a more competitive way. Performing in teams teaches them team dynamics and life skills. All academic events are followed by prize distribution and appreciation ceremonies.

- **Legal-O-Pedia:** CLAT Legal Reasoning has changed, and so has WikiConsti, the predecessor competition to Legal-O-Pedia. Legal-O-Pedia is usually conducted in 3-5 rounds, which comprises of reading marathons, marathon question solving, practice of Legal Reasoning questions for OLETs (Other Law Entrance Tests) and much more.
- **Language Improvement Toolkit:** LIT is an initiative to help students enhance their reading abilities and vocabulary for different genres. In the complete 04 weeks series, You will get reading material every week and a test followed by a live discussion on your portal.
- **GK Fiesta:** Everything under the sun is GK? Is that so? Yes, theoretically. But when it comes to CLAT and AILET Test Prep, the coverage of questions limits itself to certain areas and level of difficulties. This academic event focusses on improving the Static GK (of CLAT, AILET and other examinations) of students. The event is spread over multiple rounds via process of elimination. The last round is where kids form

teams and compete. At the end of the event, its not just the static GK that gets developed but the students even learn to face new challenges as a team.

- **EssentialLE:** English Language is one of the most essential subjects of CLAT, AILET and other Law Entrance Examinations. Apart from the regular classroom sessions, LegalEdge believes in imparting additional knowledge that helps students improve their Reading Comprehension and Vocabulary. EssentialLE plays the essential part here. These sessions, a total of 12 in number, are conducted on a periodic basis to evolve one's Language skills, not only for the upcoming Law Entrance Tests but for life.
- **All India Open Mock:** Through AIOM, you will be able to evaluate yourself on an all India level amongst the CLAT aspirants and have a better idea of your strength, weakness and scope of improvement.
