2022 TESTIMONIAL

Taher Belgaumwala

I am a student of Creative Edge 1-year program. I scored 154 marks in NATA 2022 and secured AIR 25 in JEE B.Arch 2022 in General category and topped the exam in Madhya Pradesh.

After joining Creative Edge, my Imagination, Creativity and Problem solving skills got enhanced drastically. No doubt the credit goes to all the brilliant teachers, who worked day and night for the betterment of the students.

Rajendra sir made topics like Scene Creation, Human Anatomy, and Portrait seem easy by using his experience-based techniques.

Konark sir and Sonali mam ensured in every phase, that the students don't face any issues regarding resources.

Deependra sir kept inspiring us with his wit and proverbs while Shubham sir incorporated Fun with Teaching which cheered up everybody's mood.

Mayank sir, Deepika mam and Kalpana mam were always ready to help so that the students could resolve their drawing related queries anytime they wanted. And Aditya sir and Prachi mam always kept the interface in check so that the classes could run smoothly without any problems.

It was the hard work and the dedication of the teachers and the students, that altogether made a difference!

I am yashi dingwani and I have secured all India 137 rank in NIFT examination I was very weak in Drawing and quantitative aptitude until I join Creative Edge and here every member supports me a lot and help me in securing this rank. Because of the pandemic I join online course for NIFT preparations. The conduct was very good in online classes just like offline classes. Mr. Rajendra Bhatia sir helps in improving my drawing skills he also introduced conceptual based techniques that are required in cracking NIFT exam. I want to thank Mr Rajendra Bhatiya sir and his team for their guidance and help me find my niche that I applied in the test which I believe made me to stand out of the crowd. While I was giving exam I found myself really confident and I was able to manage time effortlessly. I would also like to thank deependra sir because of him I cleared General ability part. At last I thank to all the members of creative Edge for encouraging me and helping me get my dream college.
